Law Enforcement Message – Roll Call Training Video Brief – Flammable Liquids

Law Enforcement officers have likely received training regarding the dangers of deploying a CED when flammable liquids may be present. However, some officers may not be aware of the combustible potential of some hand sanitizers. J.A. Montgomery has developed this Roll Call Video Brief highlighting the potential dangers of hand sanitizer and CED use. The Roll Call Video Brief can be viewed [HERE](#)

Additionally, the accompanying resources package, which includes links to the full videos released by the New York State Attorney General's Office and other resources, can be viewed [HERE](#).
