

# SAFETY DIRECTOR MESSAGE

## HEAT RELATED ILLNESSES

The Occupational Safety and Health Administration (OSHA) began its three-year National Emphasis Program on heat-related illnesses in April of 2022. The program is designed to protect workers from the threat of heat-related illnesses through education and enforcement efforts. [OSHA](#) provides resources and information about signs and symptoms, training information and prevention information.

The NIOSH smartphone app is also available for [iPhone](#) and [Android](#) users. The app provides real-time heat index and hourly forecasts, specific to your location, as well as occupational safety and health recommendations from OSHA and NIOSH.

### OSHA-NIOSH Heat Safety Tool
