NJCE JIF LIVE AND IN-PERSON SAFETY TRAINING ANNOUNCEMENT

As a reminder, we are offering the majority of our training catalog on a virtual platform through Zoom. We are encouraged with all the in-person training requests we have been receiving from the members, however the following training programs are the only in-person programs available for request:

- Excavation, Trenching, and Shoring (4 hours)
- Flagger and Work Zone Safety (4 hours)
- Forklift Train the Trainer (5 hours)

Our virtual classes features real-time, instructor-led in-person, and virtual classes. Experienced instructors provide an interactive experience for the attendee on a broad spectrum of safety and risk control topics. Most NJCE LIVE offerings have been awarded continuing education credits for municipal designations and certifications. The NJCE LIVE catalog provides a description of the course, the intended audience, and available credits.

The [NJCE Monthly Training Schedules](#) are available for registration, please register early, under-attended classes will be canceled.

To maintain the integrity of the NJCE classes and our ability to offer CEUs, we must abide by the rules of the State agency that issued the designation. Most importantly among those rules is the attendee of the class must attend the whole session. **Attendees who enter the class more than 5 minutes late or leave early will not be awarded CEUs for the class or receive a certificate of completion.**

In addition, there are NJCE Expos scheduled throughout the state in 2022 for training programs not available virtually.

The training EXPO topics will include:

- Excavation, Trenching, and Shoring (4 hours)
- Flagger and Work Zone Safety (4 hours)
- Fast Track to Safety 2022 consists of four sessions. Must attend all four sessions to receive CEUs.
