

NJCE LEADERSHIP ACADEMY

The New Jersey Counties Excess Joint Insurance Fund (NJCE) has created the “NJCE Leadership Academy” for Managers, Administrators, Department Heads, and Supervisors interested in sharpening and expanding their managerial skills. The program’s goal is to enhance our leadership skills by offering varied, in-depth managerial training, as more fully described below. Individuals who complete the program’s requirements within two years will receive plaques commemorating their graduation of the NJCE Leadership Academy.

Classes will be offered through [NJCE LIVE](#) and will be a combination of virtual and in-person at various locations throughout New Jersey.

The student will complete the mandatory and elective courses within the two-years from your start date. If you have taken any of the classes before your enrollment, you will need to retake the class to complete the academy.
